### Descriptive Summary

This 100 person foot passenger vessel has been designed to provide both ferry services and day trip cruises in coastal areas. The large open aft deck provides outside seating and/or space for palletised goods if required. The main saloon is furnished with comfortable seating for 36 passengers and is equipped with a WC and catering facilities. The upper deck is equipped with further seating and a removable awning.

The vessel is to meet all the requirements of the MCA Passenger Ship Construction Rules for Class VI(A) Passengers ships.
